EDGE 4

The EDGE4 – Growing Great plan has been created to further solidify our position at the top by crafting an economic development program that focuses on five separate strategies. These strategies focus on:

- Regional competitiveness and cooperation
- New business attraction and career creation
- Existing industry retention and support
- Talent recruitment
- Talent retention and community quality

Like its predecessor, edge³, the EDGE4 program is designed to continue an aggressive economic development agenda that will help to generate the momentum necessary to keep our area at the top in the U.S. for job growth and quality of life. By continuing this momentum over the next five years, Raleigh and Wake County will continue to yield significant tangible results, which will ensure our community is *growing great*.
